

Bishop Hendricken High School

2615 Warwick Avenue

Warwick, RI 02889

Math Teacher

Bishop Hendricken High School is looking for an experienced math teacher. This is a full time position. As a premier college prep Catholic high school for young men, we are looking for a dynamic teacher who can teach introductory courses in Algebra and Geometry as well as advanced topics in Pre-Calculus at the Honors level. The candidate should be well versed in the use and application of technology; a collegial professional who is devoted to the success of the students and is willing to make a positive impact on the students, Math department, and the greater Hendricken community.
